Learning Provider Modern Apprenticeship Performance Report by Occupational Group

#### Included:

New Starts Delivered  
Leavers  
In Training  
Achievements  
% Achievement rates

#### New Starts

Modern Apprentices (MAs) are counted as a **new start** if the following conditions have been met:

MA is a first-time entrant with no prior engagement in the Modern Apprenticeship Programme

MA is starting a different Modern Apprenticeship framework within three calendar years of leaving their previous Modern Apprenticeship.

All MA progressions are included as new starts.

#### In Training

When we refer to MAs who are in training, we mean any MA approved as a start, prior to the end of the current reporting period, where no leaving details have been entered.

#### Leavers

Those who have completed the Modern Apprenticeship, have been awarded an MA Certificate and are recorded as a leaver, or, those who have not completed the Modern Apprenticeship and are recorded as a leaver.

#### Leavers with the following leaver reasons are excluded from leaver count:

Maternity / Paternity  
Redundancy  
Business ceased trading  
Death  
Admin Error

#### Achievements as a % of all Leavers

The achievement rate is calculated by:

Number of achievements divided by the number of leavers

**Note:** There may be fewer leavers than achievements displayed against a few frameworks resulting in the current year achievement rate exceeding 100%.

This occurs when leaver information has been entered and counted in the previous financial year, but the achievement has only been approved and counted in the current financial year.

#### Disclosure Control

\* Disclosure control has been applied throughout this document where figures are less than 5 or where such small numbers can be identified through differencing.

**\*\*Note: University of Highlands and Islands:** UHI operates as a consortium across College partners in the region, namely: UHI Argyll, UHI Inverness, UHI Lews Castle, UHI Moray, UHI Orkney, UHI Perth, UHI West Highland and UHI North Highland. UHI takes the role in allocating MA volumes to each of the College partners to meet their identified demand. SDS support movement of start volumes to accommodate this.
